Written with integrity and transparency, it has to affect and help others who will read this to embrace their own restoration journey. He reflects not on superficial behavioral adjustment, but deep sustainable embrace of the new life in Christ. God has intervened in Christ to take our brokenness, and divinely convert it into a whole and complete life. A highly recommended read.” -Alan Platt, Leader and Founder of Doxa Deo Ministries

The Cometeers Jul 05 2021 In the second book in the Legion of Space series, Jay Kalam, Hal Samdu and Giles Habibula fight The Cometeers, an alien race of energy beings controlling a "comet" which is really a giant force field containing a swarm of planets populated by their slaves. The slave races are of flesh and blood, but none are remotely similar to humans. The Cometeers cannot be destroyed by AKKA, as they are incorporeal from the Universe's point of view and exist for the most part in an alternate reality. The ruling Cometeers feed on their slaves and literally absorb their souls, leaving disgusting, dying hulks in their wake. It is said that they do so, as they were once fleshly entities themselves of various species. Hence, the ruling Cometeers keep other intelligent beings as slaves and "cattle." They fear AKKA, though, as it can erase all their possessions.

Apprentice to Master Apr 21 2020 This is the biography of the life of artist Robert James (Bob) Webb, spanning a century of ups and downs of a nation, lovingly told by his wife, Katheryn Webb. At a young age, he was taken under the wing of the famous portrait painter, Fred Mortimer Lamb and later he apprenticed with the famous artist, John Singer Sargent. So impressed was Sargent with Bob's work and work ethic, he recommended Webb to the Secretary of the Navy to join the newly created Camouflage Department. He went on to become the first camouflage artist in the Navy during WWI. He decorated Ringling's mansion, painted murals in churches and his final job was working for John D. Rockefeller as head of painting and decorating at the historic village in Williamsburg, Virginia. Bob Webb lived life to the fullest and left grand memories; his effusive nature was big and tender, generous yet frugal. He also left a legacy in his art works; long to be remembered from Massachusetts, New Jersey, New York, North Carolina, Florida, and Williamsburg, Virginia; in historic places, mansions, libraries, churches, and many public places where his art played an important part.

UNDERSTANDING GOD'S SECRET PLACE - Holy Ghost School Series - A Discipleship Training Manual Jul 17 2022 First Printed in 2011 2015 edition. Nehemiah 8:1-19; Psalm 91:1 This little book is a collection of messages on Discipleship Training in Holy Ghost School recorded at Right hand of the LORD Fellowship, Egbe-Lagos, Nigeria. It happened that I was discipled by two ministers of God: Rev. Joses Hizkiah of Unfailing Life Ministries and Prophet Lambert Eze Okafor of LaFAMCALL (End-Time) Ministries. After this, I forgot about the training and continued in my former method of ministration as I could not pick up the teaching immediately. It was at this juncture of stalemate or deadlock that the LORD quickened me one day to start on the teaching on Holy Ghost Discipleship by faith that the inspiration came to start putting down in writing as the LORD started to help me along. After a considerable number of lessons, the directive came from the LORD to compile the messages into a leaflet for discipling members of the fellowship.

But how do we develop that kind of relationship with a holy God? It is one thing to long for such a relationship, but quite another to experience intimacy with Him. Up on the Creek Nov 28 2020 This groundbreaking book is a sequel to *Celebrate Life* that illustrated how to Realize, Renew, Release your trapped energy. In *Living Right Side UP in an UP-Side-Down World*, the reader was invited to a deeper plunge into the Great Lake of your lived experience where you feast in present-moment awareness. The third book in this trilogy especially after Sept. 11, 2002 prepares the reader to make a different passage into 21st century's ecological age and in the process to experience homecoming to Earth. The simple proposal to the reader, including the author, is to wake up. To wake-up with wide-eyed wonder! That electrifying wonder activates a stream of energy and insights for loving and cherishing this Earth. May we become in the process fully human and fully alive as an Earth-being. What does it mean to become an Earth-being? It means that we reenter the Great Conversation of the human and the natural world. In embracing the Great Conversation, we once again bring inside us the voices of the natural world like the wind in the trees, the wonder of moonlight, the sighing of prairie grasses to sing inside us in resounding chorus. Now we have the beginning of a different human. Out of such a conversion experience over more than twenty years this book has been written. In that spirit of Earth-wonder and Great Work may you see new possibilities in the bonding of human-being and Earth-being for living on this garden planet with a soaring sense of mutual well-being.

Envy Mar 13 2022 Envy might well be termed the silent sin. Because while all of us envy others to some extent, few of us

acknowledge our problem out loud, let alone try to overcome it and move forward. Bob Sorge draws upon his own pastoral experience--plus the admitted burden of his own envy--to show why and how it can adversely affect the ministry of a church and even prevent revival in people's lives. Sorge reveals why comparison of our ministry and spiritual gifts to that of our fellow believers is to be avoided at all costs so that we do not hamstring God's plan for our growth and the accomplishment of His purposes. This is a must-read for leaders of all churches, great and small--and anyone who wants the peace that comes with a life free of envy.
